National Democratic Nominations FOR PRESIDENT, HORATIO SEYMOUR, OF NEW YORK

P. BLAIR, JR., DF MISSOURI Remocratic Elector

FOR VICE PRESIDENT,

OR THE STALE AT LAR B COL FRANK WIII FORD, of Carroll

FOR CONGRESS. BOYD WINCHESTER,

OF LOCINVILLE.
FOR THE STATE SENATE STREET DISTRICT, DR. R. D. STANDIFORD,

The livfference-In an article under the above caption v called the atte fon of our reader com days since, to the very marked contraturnished by a comparison of the candidates for the Presidency presented by the two great particinto which the people of the United State ore divided two one of the Counter's many thousand readers, we renture to y, whatever may be his political opinions, present the article to which we have recovered with a colucid ing to his serit soul, with the conclusion crein arrived at that a comparison of the r lative me its of these two cand dates for exalted position is infinitely to the alknowledged a tell inn of irreproach the privat charact r d'angal a d'worth things to rights generally, but there i a and devoted patrioti a, while the is ter point beyond which patience censes to be a transfer of the private of the priva is of que tional is private in but, of an iurior order of a utal queity, and singulurly deficie t in all the attributes of true oriminating man fails in his heart to conthe justi of our ene ken, but, while this is so, we are well aware that here ar a great a sty too much wanting la sincerity to give expression to that

In the article to which we rear we show d, or at impted to show, that this contrast between the candidate for the contrast between the candidate for the lighest office in the rift of the nation was and reading the party responsible for them and reading the party responsible for them. haracter of the two poisson making the Let the Radical leaders take care that the do not hoist themselves on their awa commations. While the one is the vigoold constitutional par is that the nation In w in the day of the pro-purity at d Inclory, the other is the condiment of revostionary ideas and the corrupt pay of t maticism and and sties. It is altogeth therefore, in k pin with the eternal fit tess of thin that not o by is the Presidential Candidate of the Radicals luminosus casting about them for some means of cably inferior to the I widential candidate of the Democrats, but that a contract almost if not equally a striking should a x-i-t in the case of the nominees for the Viet ist in the case of the nominees for the Viet black and tan tegislature now in assiston. To whose ry May to black and tan tegislature now in assiston of the must be admitted by every one who A bill has been passed by that delectable bandy visiting the power of appointing the power of appointing

It is needless to ask who or what Gen, Frank P. Blair is. Comparatively a young n an, he has yet so written fil name and character on the history of the times that few have falled to become familiar with their trouble, it is now proposed that the them. We have kno u Ge. Blair long, and legislature shall refuse to authorize the k sown bim well; and al lough in the past tiere were pai up a which we, m that might result. The Radi als have tionally direct with 11 a, we have never great objection to people voting, unless t c ituto i l'an e tra prity of Alabama will vote at the i're i-lential el c he bold advocacy of the which he chimsel tion whether the reconstruction legislature to be right. Those from whose views he n ost dissected in by gone day upon questi ans relating to to instea ion of slavery do not hata to and has angles

There can be no question of Frank and crush the treacherous savage are kept in the Southern States to carry out "recommend to the Southern States f purpose and honesty of moti c. its A Democr t from conviction and principle, and endowed with the tale to that would have made li the vorite of his party in his adopted the he yet for a in the South should be sent where julilong time | laced him fin anta, n ni I majority of that party because of his the Radic is are loudly calling for in convictions upon the slivery quiton, is idle now to discuss whether he or those of his natural alli- and friends with who differed were in the right. It is willcient that he did diff from the i, an differ hold y, and that he did so become h very encouraging. Well-informed - it be seved the poculiar and tution of the South inimical to the best interests of the white race. He anti-very son ments in or hel the light to later of the m which and fals pull their ties 1, artained to be 1 ... At it m.
